Why Miss Julia Loves Teaching:

"I love teaching because I can share my love of dance with my students. I get to watch them grow as people and dancers and that's pretty awesome!"

Miss Julia teaches Ballet, Tap, Jazz, and Poms at APA! She has been with APA since 2019.

She started taking lessons at age 3 and continued taking lessons for 11 years. While taking classes in dance Miss Julia assisted in classes such as Creative Movement, Tap, Ballet, and Hip-Hop.

Miss Julia recently graduated UW-Milwaukee with a minor in Dance and Somatics and a major in Kinesiology.
