Why Miss Molly Loves Teaching:

"My own dance teachers instilled a love of dance in me, and I love being able to do the same for the next generation of dancers."

As of 2021, Miss. Molly is new to our teaching staff, but she had been an APA student for 16 years! Molly began her dancing journey at age 2 and has continued ever since. She is a Senior Member of our APA Competitive Teams and has been an assistant for the last 7 years!

Molly will be heading to UW Milwaukee in the Fall of 2022 majoring in Elementary Education and minor in Dance Education.

Her dancing credentials include performing in the opening number at a National dance competition, participating in the 10th anniversary trip to Disney where we danced down Mainstreet, and taking classes in New York City with the Rockettes! Miss. Molly will begin her career at APA teaching Pre Ballet, Tap, Jazz, Lyrical, and Poms!
