

MISS TIFFANY

Music Director

the academy of performing arts

Why Miss Tiffany Loves Teaching:

“I love seeing students experience the many joys and benefits of a music education. There is nothing like witnessing a student having fun while learning and progressing in their education.”

Miss Tiffany brings to The Academy an education in voice, piano, and choral conducting.

Tiffany began taking piano and vocal lessons in high school and continued her training in college. She has been involved in chorus throughout her education, including performing as a member of UW-Milwaukee’s Concert Chorale and Women’s Chorus.

She has performed at various festivals and venues including The West Side Club in Madison and The Heidel House in Green Lake.

Tiffany obtained her degree in Music Education – Choral and General from the University of Wisconsin Milwaukee.

Along with teaching voice, piano, and Glee, she is also the Music Department Leader at The Academy of Performing Arts.
