

MISS JULIA

dance teacher

the academy of performing arts

Why Miss Julia Loves Teaching:

"I love teaching because I can share my love of dance with my students. I get to watch them grow as people and dancers and that's pretty awesome!"

Miss. Julia teaches Pre-Ballet, Ballet, Jazz, Tap, Poms, Lyrical, and Contemporary to a wide range of ages at APA!

Her favorite style of dance to teach (and dance) is Lyrical because she enjoys being able to tell stories through movement.

Miss Julia is a Wisconsin native. Her love for dance began at age 3 when she was enrolled in a ballet/tap class at her local studio. As her love for dance grew, she began dancing competitively and assisting classes. Miss Julia graduated with a degree in Dance Somatics as well as Kinesiology at the University of Wisconsin-Milwaukee in 2021.

When Miss Julia is not dancing, she enjoys playing board games, going for hikes and spending time with friends and family.
