*Why Mr. Joseph Loves Teaching:*

“Seeing children have an ‘ah ha’ moment is one of the driving factors for my love for teaching.”

Mr. Joseph teaches both guitar and violin to students of all ages! His favorite styles of music to play and listen to are classical, pop, Disney, and Christian.

Originally from Los Angeles, California, Mr. Joseph graduated with a bachelor’s degree in elementary education at West Coast Baptist College. While in California, Mr. Joseph taught guitar and violin at the Music Academy for two years. He is currently a 5th-grade teacher at Badger State Baptist School.

Mr. Joseph performed regularly throughout his college years, including with his church orchestra. When it comes to playing the guitar, he enjoys fingerstyle guitar playing over strumming.

When he is not teaching at APA, Mr. Joseph enjoys hiking, surfing, and playing sports!
