

**MISS ASHLEY**

*music teacher*

*Why Miss Ashley Loves Teaching:*

"I love teaching because I believe children are our future, and I want our future to be filled with their art! It's my honor to give them the tools to do so."

Miss Ashley teaches beginner-intermediate guitar and piano, along with all ages of voice and musical theatre at APA!

Her favorite vocal styles to teach (and sing) are musical theatre, CCM, rock/vocal belt, classical, spoken word (rap/rhythmic poetry), jazz, and Disney. Her string styles include electric, acoustic, and ukulele.

Originally from Menominee, Michigan, Ashley moved to Milwaukee, Wisconsin in 2018 to study musical theatre at The University of Wisconsin-Milwaukee, graduating in May of 2022. At UWM, Ashley studied Estill vocal pedagogy, various dialects, and theatrical performance skills. In September of 2022, she began teaching both dance and music at APA, along with music education for a private middle and elementary school.

Outside of teaching, Miss Ashley loves playing with her two cats, hiking new trails, and painting!
