Why Miss Kyleigh Loves Teaching:

" I like seeing the smiles on the kids faces when they achieve something they have been working at & practicing"

Miss Kyleigh teaches Tech Ballet, Poms, & Tap to all ages at APA!

She started taking dance lessons at APA when she was 3 years old and continued her training until she was 17. She was on the APA Competitive Teams until she was in 8th grade. Later, she went on to join the South Milwaukee High School poms team. When she was with the Competitive Team she had the opportunity to dance in the Disney Parade!
