

**MISS TESSA**

*dance teacher*

*Why Miss Tessa Loves Teaching:*

"I love seeing the growth and each dancers individual artistry!"

Miss Tessa teaches Modern, Contemporary, Ballet and Jazz to students of all ages at APA! As of 2022, she has been teaching dance for over 7 years!

She has been dancing since she was three years old and continues on through high school, college, and now professionally! Growing up she was on her local studio's Competitive Team, which led her to the University of Iowa where she received a BFA in performance and choreography.

She spent time in a performing company that traveled all over Iowa and Illinois, had the opportunity to perform in a show in Minneapolis, MN, and later went on to perform and show her work in the ACDA Conference for two years.

A fun fact Miss Tessa shared is that her favorite season is Winter!
