*Why Miss Kristina Loves Teaching:*

"I love to teach dance because it's so incredible to see a child gain so much confidence in themselves and to see their faces light up in enjoyment."

Mrs. Kristina teaches Ballet, Hip Hop, and Contemporary/Lyrical to students of all ages at APA!

She started dancing mostly jazz and ballet in high school. Then she went on to graduate from UW Milwaukee with a dance major. Other than being a dance teacher Mrs. Kristina was a preschool teacher for many years because she loves teaching children.

When she is not teaching at APA Mrs. Kristina enjoys walking her dog or having movie nights with her husband and friends!
