

MR. JACK

music teacher

Why Mr. Jack Loves Teaching:

“Music is a lifelong passion of mine that would not have blossomed without the guidance of music teachers. The greatest thing you can do as a musician is to teach others.”

Mr. Jack teaches acoustic guitar, electric guitar, and bass guitar to all ages at APA!

Some of the styles he likes to play and teach include rock, pop, folk, blues, and jazz. He has been teaching guitar since 2019 and started teaching at APA in 2024.

At the University of Wisconsin - Milwaukee, Mr. Jack studied Music Composition and Technology, graduating with a Bachelor of Arts in Music. He has been performing music live since 2014, playing in multiple local bands throughout the years. He is also an audio engineer, specializing in recording and mixing.

When Mr. Jack isn't teaching at APA, he likes to hike, birdwatch, cook, attend local concerts, and hang out with his cats!
