

MISS KYLEIGH

dance teacher

Why Miss Kyleigh Loves Teaching:

"I like seeing the smiles on the kids' faces when they achieve something they have been practicing and succeed at getting the steps down!"

Miss Kyleigh teaches Pre-Ballet, Poms, Jazz, and Tap to all ages at APA!

She started taking dance lessons at APA when she was 3 years old and has continued her training ever since. She has participated as both a recreational student and as a part of the APA Competitive Teams. Later, she went on to join the South Milwaukee High School poms team and participated all 4 years. In addition, she had been an assistant for 5 years. One of her greatest dance accomplishments is having the opportunity to dance down Main Street at Disney World.

Miss Kyleigh attends UW-Parkside, majoring in nursing. Her plans include working as a pediatric nurse someday! She loves knowing that she is playing a part in children's growth in dance as well as in their social skills!
