Why Miss Alivia Loves Teaching:

"Teaching is the most fulfilling thing I have done with my life. Helping students to feel more confident in themselves and their abilities is my favorite way of spreading kindness in this world."

Miss Alivia teaches voice and beginner piano to all ages and ability levels at APA. Her favorite styles to sing and teach include Classical, Opera, Musical Theatre, and Jazz.

Originally from Illinois, Miss Alivia studied Vocal Music Education at Augustana College in Rock Island. She began taking singing lessons when she was six years old and continued to take part in school choirs, drama troupes, and singing competitions throughout her life. Miss Alivia also took piano lessons from age 8-11 and then continued her piano education for four years throughout her college career.

She is currently an elementary music teacher within the Oak Creek School District, where she spends her days spreading her love of music to those around her.

When she's not teaching at APA, Miss Alivia loves spending time reading, going on walks by the lake in Milwaukee with her friends, and drinking way too much coffee!
