Why Miss Audrey Loves Teaching:

"I believe teaching is the most rewarding job because I get to witness student growth as both dancers and individuals. I am always excited to witness this with dancers at APA!"

Miss Audrey teach dance to students of all ages at APA!

She started dancing when she was 4 at Barb's Center for Dance in her hometown of Appleton, WI. She continued her training at Heart of the Valley Dance Academy, Valley Academy for the Arts, and Transcendence Dance Company. She trained and competed in many styles including, contemporary/lyrical, jazz, tap, hip hop, ballet, and pom. Miss Audrey will graduate from UW Milwaukee in May of 2025 with her Bachelors of Arts in Dance. She has both performed and choreographed numerous dance pieces for UWM and had her choreography selected for Danceworks "Get It Out There". She has been teaching dance for several years and enjoys helping her students grow and inspiring dancers to further their love for dance.
