

music teacher

Why Miss Alexa Loves Teaching:

“I love teaching music because there is nothing more inspiring than watching someone's skills, knowledge, and passion for music grow.”

Miss Alexa teaches private voice and piano to ages 7 and up at APA!

Her favorite styles to teach and perform include CCM, musical theater, classical/opera, jazz, and folk!

She is originally from La Crosse, WI, and it was there she began to participate in choirs, bands, a capella groups, show choir, and musical theater.

She has since graduated from UW-Milwaukee with a BA in Music and Anthropology, and gained extra education through undergraduate research about how to begin and sustain a career as a CCM musician in Milwaukee.

Outside of teaching Miss Alexa enjoys hiking, finding new restaurants around the city, and spending time with her partner and two cats.
